

DEXLAN 18,5" LCD Console 1080P Full HD with 4-Port KVM+ Cbl

DESCRIPTION

The DEXLAN 19" rackmount KVM console is equipped with an Azerty keyboard with a touchpad and a Full HD LCD flat screen. The DEXLAN KVM console is 1U-high, so that you can save some valuable space in your cabinet. The embedded KVM switch can control up to 4 connected computers, thanks to the 4 x combo KVM cords included with the console.

In addition, you can connect an extra USB monitor/ keyboard/ mouse set on the KVM rear ports.
