

DESCRIPTION

This case for Google Pixel 7a has a reinforced structure, fitted with the Hexotek by IT Skins system. It provides a high protection against drops and shocks of intensive daily use.

In addition, the built-in antimicrobial technology of this shell protects your Google Pixel 7a by reducing the bacteria by up to 99.99%, for a healthier surface.

In short, this ultra protective case offers you a double barrier of protection while keeping a very slim design, made from 100% recycled materials and 100% dedicated to your device!

- Drop resistance 150x greater than the military standard MIL-STD 810G (up to 1300 drops from a height of 3m). Equipped with Hexotek Technology - advanced protection - that absorbs and disperses shocks upon impact
- Advanced raised edges to protect the screen and camera lens from flat falls
- Eco-friendly case: Global Recycled Standard (GRS) certified materials. 100% recycled materials and 100% recyclable
- SGS Product Safety certification and Impactthane: microbial defense that protects against numerous germs and reduces microbes by up to 99.99%
- Solid and robust finish (non-marking). Ultra-responsive and non-slip buttons. Access to all ports and features

TECHNICAL CHARACTERISTICS

Brand : MOBILIS
Part number : 066067
Brand compatibility : Google
Case type : Cover
Compatibility : Pixel 7a
Drop proof up to : 3 m
Maximum screen size : 15.5 cm (6.1»)
Military standard : MIL-STD-810G
Package weight : 33 g
Product colour : Black
Protection features : Anti-bacterial, Drop proof, Impact resistant, Scratch resistant, Shock resistant
Surface coloration : Monochromatic
