

DESCRIPTION

The cassette-based Dictation Desktop 725 ensures user-friendly dictation of the highest professional quality. An LCD lists all of the information needed to manage the dictation workflow and a sophisticated search function allows data to be accessed quickly.

Just add a headphone and a foot pedal and your Desktop 725 becomes an advanced transcription machine.

Key benefits

- Fast return to the beginning of the tape with auto rewind
- Quick access to the start of the next job with search forward and skip functions
- LCD tape counter shows information stored on cassette

Package Content

- Executive Desktop 725
- Mini Cassette 005 (30 min)
- Microphone 276
- Power Supply 155
