

DESCRIPTION

Easy to use remote control with Bluetooth and built-in microphone for use with Google Assistant enabled Philips MediaSuite TVs. Dedicated YouTube and Cast buttons provide faster access to more content.

Bluetooth connectivity

Provides a direct wireless connection to the TV, enabling access to Google Assistant. Bluetooth® also means control from a greater distance without the need to be directly in front of the TV.

Built-in microphone

A built-in microphone enables voice activated control for greater convenience , including commands for Google Assistant, content searching, and feature control of other apps.

YouTube button

A dedicated YouTube button brings a world of entertainment to the big screen in a single push.

Cast button for easy streaming

A dedicated Cast button makes streaming content from external devices faster. Simply press to activate the connection info screen in order to stream from any Cast enabled laptop, tablet, phone or desktop .

Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

TECHNICAL CHARACTERISTICS

Brand : PHILIPS
