

DESCRIPTION

The Brother BDE-1J050102-102 die-cut white labels are suitable for a wide range of labelling applications.

Printing direct thermal labels 102mm x 50mm in size, this supply is perfect for printing prescription labels, location labels and compliance labels.

Cannot be bought individually as it is delivered in packages of 8.

Direct thermal label printing

The BDE-1J050102-102 label roll can support a range of printing applications in healthcare and transportation and logistics without the need for ink or toner.

With 1,050 labels per roll, you can easily print barcode labels with text and logos from your compatible Brother label printer.

By choosing a Certified by Brother International Europe label roll, you'll ensure that your direct thermal label printer continues to work at its best.
