

Label Manager DYMO 210D

DESCRIPTION

The easy-to-use label maker for your desktop.

With the DYMO® LabelManager® 210D electronic label maker, you can create a wide variety of high-quality, self-adhesive labels. You can choose to print your labels in many different font sizes and styles.

Product features:

- Uses DYMO D1 tape cassettes in widths of 1/4" (6mm), 3/8" (9mm), 1/2" (12mm)
- Wide display with 13 digits per line
- You can choose from several format options to enhance the appearance of your labels, including font size, borders and underlines
- You can preview your label, print multiple labels, and adjust the printing contrast
- The last label created is remembered and displayed when the power is turned back on
- The previously selected style settings are also restored
- You can easily open labels saved in memory to use at a later time
- Fixed length, multiple label printing options
- Manual cutter
- Operation: 6 x AA batteries or D1 DYMO power adapter (not included)

TECHNICAL CHARACTERISTICS

Brand : DYMO
Part number : S0784460
Auto power off : Y
Autocutter : N
Battery type : AA

Cartridge(s) included : Y
Country of origin : China
Depth : 64 mm
Ethernet LAN : N
Harmonized System (HS) code : 84433210
Height : 155 mm
Keyboard layout : AZERTY
Label memory : 9 label(s)
Manual : Y
Master (outer) cases per pallet : 120 pc(s)
Maximum label width : 1.2 cm
Maximum resolution : 180 x 180 DPI
Number of batteries supported : 6
Number of box types : 8
Number of styles : 7
Package depth : 97 mm
Package height : 203 mm
Package weight : 800 g
Package width : 222 mm
Pallet gross height : 106.2 cm
Pallet gross length : 120 cm
Pallet gross weight : 132.4 kg
Pallet gross width : 80 cm
PC connected : N
Print preview : Y
Print speed : 12 mm/sec
Print technology : Thermal transfer
Product colour : Black, Silver
Supported paper width : 6, 9, 12 mm
Tape type : D1
Underline : Y
Warranty card : Y
Weight : 435 g
Width : 165 mm
Wi-Fi : N
