

# INTENSO SDHC card UHS-I Premium Class 10 - 128 Gb

## DESCRIPTION

### Capture beautiful moments in best quality

The new generation of mobile memory cards enables lightning-fast data transfers and the best results with professional digital cameras and camcorders. Thanks to the high-speed UHS-1 standard, data transfer rates of up to 90 MB/s can be achieved. The memory cards are ready-to-use, compact and responsive. Therefore, they are perfect for high-resolution photos and fast action shooting. With capacities of 16, 32, 64 and 128 GB, they offer enough space for large media files such as professional photos or video recordings.
