

DACOMEX Bluetooth mini mouse black

DESCRIPTION

No need for a USB port!

The mini Bluetooth mouse will be the ideal solution to overcome the lack of USB ports on recent laptops or tablets.

Its precision adjustable according to needs from 800 to 1600 dpi as well as its 3 function buttons and its wheel make it a most complete mouse for office automation.

For more energy savings, the mouse will automatically go to sleep, and a power button / stop will allow you to stop it permanently for your travels

More product:

- Mini format
- Bluetooth transmission, direct connection without USB dongle
- Adjustable optical sensitivity 800 / 1200 / 1600 dpi (dpi button)
