

## DESCRIPTION

### Never Hurt. Never Fall Out

Results matter, and when you have the perfect headphones there's nothing standing in-between you and your workout. With their FlipHook™ design, they adapt to an in-ear or behind-the-ear fit for added convenience. A comfortable combination of FlexSoft ear tips and TwistLock technology means these buds are fitting securely in your ears and guaranteed never to hurt or fall out. And if you thought a little sweat or rain was going to ruin your Run 2, think again. Thanks to the IPX5 water resistant rating, JBL Endurance Run 2 headphones keep up with your every step, while an in-line microphone and remote ensures you're never reaching into your pocket to answer calls.

### FlipHook™

Flexible two-way design allows you to wear the headphones either in-ear or behind-the-ear.

### Never hurt. Never fall out.

Thanks to TwistLock and FlexSoft technologies, these headphones are lightweight and ergonomically built to ensure secure fit and stability no matter the workout.

### Sweatproof

Designed to endure and outlast your high intensity outdoor or indoor workout sessions in any weather conditions, thanks to the IPX5 rating.
