

DESCRIPTION

BUILD YOUR BEST

Sometimes rooms present unique challenges. Sometimes you want more control over how and where to equip the room. The Poly G7500 is a modular system for video conferencing that enables you to configure the system you want, while giving people an easy way into the rich collaboration experiences they need. Loaded with features, yet simple to set up and use, the G7500 will leverage your design to power your meetings and wow your teams.

WE WORK EVERYWHERE THAT YOU DO

Poly video solutions make meetings a breeze. Use cloud video apps for a full experience with all the features you know and love. Or use standards-based SIP and H.323 compatibility to connect to different cloud video services throughout your day.
