

Universal Car Headrest Mount for Tablet

DESCRIPTION

The tablet headrest mount is the perfect companion to entertain your children during car trips. Install it on a front seat headrest, with its articulated arm and swivel head, it adapts to the size of your children and allows to position the tablet for a shared use between the rear passengers.

Compatible with smartphone and tablet thanks to its adjustable grip

2 usable positions : vertical or horizontal

Attaches to all car headrests

The holder is 100% multi-positional thanks to its swivel arm and pivoting head
