

Screen Pro Temp Glass 9H Surface Go 2

DESCRIPTION

To help you protect the screen of your Surface Go 3 / Go 2 / Go against everyday impacts and scratches, MOBILIS has designed this tempered glass screen protector. To protect your Surface Go 3 / Go 2 / Go, this protective screen has a 9H anti-scratch hardness, which is considered the best grade for protecting screens. Also, thanks to its Clear finish, it retains 99% of your screens sharpness for maximum user-friendliness. Quick and easy to install, this protective screen leaves no marks behind when removed. To help with installation, this protective screen is also supplied with a complete cleaning kit. For maximum user-friendliness, this protective screen is compatible with the MOBILIS capacitive stylus.
