

DESCRIPTION

Secure and protect your Kensington® Nano®-compatible laptop with the Targus DEFCON® Compact Keyed Cable Lock. The easy-to-use design includes a cut-proof and rust-resistant 6.5-foot galvanised steel cable with pass-through loop and rotating lock head. Secures with an easy, push-to-lock button. Nearly impossible to destruct. Any attempt to remove it will noticeably damage the device a further deterrent to thieves. Compact for easy carrying, this sturdy lock is as convenient as it is strong, making it an ideal choice for the office, school, hotels, or other high-risk areas.
