

DESCRIPTION

The PLANET FNSW-1600P is a 16-port 10/100Mbps PoE Fast Ethernet Switch. It will power up to 16 x 802.3af PoE devices over RJ-45 cable. .

The switch transfers data and power through the same media.

Specifications:

- 16 x RJ45 10/100Mbps Auto-MDiX PoE Ports compliant with IEEE 802.3af/ Midspan standards (pin 4/5/7/8)
- Power output: 48V - 15,4W - 350mA
- Maximum output power delivered to the PD: 15,4W
- Maximum total power: 125W
- Rackmount: 19" 1U
- Dimensions : 445 x 45 x 207 - 2.33kg
- Internal power supply: 100/240V 2A

TECHNICAL CHARACTERISTICS

Brand : PLANET

Part number : FGSD-1821P
