

BOSCH MIC-ALM-WAS-24

DESCRIPTION

The MIC Alarm/Washer Interface unit consists of a weatherproof enclosure that houses surge-protected interface connections for alarm inputs, alarm outputs, washer relay, power connection, and serial data link to MIC7000 cameras. The unit is equipped with removal screw terminal blocks to simplify attachment of electrical connections to external cabling. Board mounted LED indicators provide status and diagnostic feedback.

TECHNICAL CHARACTERISTICS

Brand : BOSCH
Part number : MIC-ALM-WAS-24
Caractéristiques :
Type : Power supply
Certification : UL, CE, CSA, EN, and IEC Standards 60950-1 & 22
Connectivity technology : Wired
Depth : 200 mm
Height : 79 mm
Housing material : Polycarbonate (PC)
Input frequency : 50/60 Hz
Input voltage : 24 V
International Protection (IP) code : IP67
LED indicators : Activity, Power
Operating relative humidity (H-H) : 0 - 100%
Operating temperature (T-T) : -40 - 60 °C
Placement supported : Universal
Product colour : Grey
Quantity per pack : 1 pc(s)
Rated power : 1.5 W

Storage temperature (T-T) : -40 - 70 °C

Weight : 600 g

Width : 120 mm
