

DESCRIPTION

State-of-the-art storage solution in a high-quality design!

Combining a high-quality design with great performance, the 2.5» Memory Board external hard drive is a must-have storage solution for transferring and securing photos, videos, music and other data. The hard drive impresses with a modern enclosure design made of aluminium in anthracite and is particularly easy to stow thanks to its compact shape. A modest logo engraving and blue LED display are additional optical highlights.
