

DESCRIPTION

The ultra light and thin U.FIX back cover case for Samsung Galaxy A5 has been designed to be easily and simply used with all mounts from the U.FIX range.

With its built-in SecureLock system, compatible with QuickLock, you can directly mount in no time your case to the mount you want to use: RUN KIT, BIKE KIT, HOME KIT, WATER KIT to check your favourite applications. With its dual magnetic and mechanical action, the innovative SecureLock system guarantees your smartphone is perfectly secured on its mount whether horizontally or vertically.

This back cover case is also an effective solution against impacts and scratches of everyday life. It is easily installed and removed and perfectly suited to the shape of your device. Its precise cut-outs provide access to all buttons, connectors and to the camera.
