

DESCRIPTION

The ACTIV protective case, designed and manufactured by MOBILIS®, fully protects your convertible laptop/tablet Surface Pro 7,6,2017 or your Surface Pro 4. This reinforced case is equipped with a flap to protect your screen. This converts into a stand to make your device extremely easy to use. The ACTIV case can withstand more than 50 drops from a height of 1.2m and has achieved IK08 standard in terms of shock-resistance. In addition, it provides your IT equipment with reinforced protection thanks to two patented systems and a TFP composite that can absorb shocks and withstand impacts. Lastly, the elastic strap, shoulder strap and stylus holder are accessories that have been designed to provide maximum comfort and perfect ergonomics when using your device. The dedicated ACTIV cases are perfect for semi-mobile use onsite or even in the office.
