

DESCRIPTION

Use the ShowMatch Array Frame (SMAF) to create overhead suspended arrays that contain subwoofer modules, or to create ground stack arrays that use any combination of subwoofer modules, mid/high modules, or both.

TECHNICAL CHARACTERISTICS

Brand : BOSE

Part number : 770300-0110

Depth : 762 mm

Material : Metal

Maximum weight capacity : 37.6 kg

Placement : Floor

Product colour : Black

Quantity per box : 1 pc(s)

Weight : 700 g

Width : 732 mm
