

## DESCRIPTION

This rugged iPad case has been cleverly designed by MOBILIS® for your iPad 10.2" (9th/8th/7th gen).

This fully protects your IT device should you drop it. The protective case can withstand up to 500 drops from a height of 1.2m and is equipped with three systems that can cushion shocks, absorb shock waves and withstand impacts.

Versatile and light, the PROTECH protective case fits perfectly to your iPad like a second skin so you will hardly notice its there.

Thanks to the cases rear stand, you can use your device in keyboard mode or photo & video mode.
