

8-Port Serial Console Server with Dual Power/LAN

DESCRIPTION

TECHNICAL CHARACTERISTICS

Brand : ATEN
Part number : SN0108CO-AXA-G
Main features :
Input connector(s) : RJ-45 Ethernet
Output connector(s) : DB-9
Input signal : 100Mbps Ethernet
Output signal : RS-232
Gender of connector A : Female
Gender of connector B : Male
Secondary features :
Power supply : External power adapter included
Industrial : No
Size : Stand-alone unit
