

DESCRIPTION

Build your ideal monitor arm

The MOMO C101 Wall Mount Component is part of MOMO Motion and Motion+. Specially designed for wall mounting. The MOMO C101 is suitable for monitors up to 49».

Endless possibilities

Create a multi-monitor set-up with just a few components. Including both straight and angled positions.

MOMO monitor arm accessories and components are installed using just one allen (hex) key, cleverly integrated into the product. So you'll always have the right tool at hand.

Limited number of components, infinite possibilities

The modularity of MOMO is unique. You can create solutions for almost any situation using just a few standard components. From a simple solution for one monitor to more complex solutions for several monitors. Including both straight and angled positions.

This MOMO Monitor Arm Component complies with the most stringent international safety requirements

Safety first. The MOMO C101 fulfils TÜV, FIRA and IGR requirements and is therefore extremely safe.

Vogels. For Sure.
