

DESCRIPTION

The FlexTop 270 is a compact and lightweight laptop stand and is therefore ideally suited for mobile work.

Easy setup.

The FlexTop 270 can be easily unfolded and set up in a few seconds. Simply insert the connection piece into one of the seven height adjustment slots, unfold the two foam-covered storage pieces, and place your laptop on them. The stable stand and the anti-slip feet on the underside promise a firm working setup for your laptop on any surface.
