

# PCI Express Host Adapter for M.2 NGFF PCIe SSD

## DESCRIPTION

Shift up a gear!

This NGFF to PCI-express adapter increases the performances of your system. You'll take advantage of the M.2 SSD in PCI-Express mode.

Product benefits:

- Easy and rapid connection of an M2 SSD to your motherboard
- Throughputs up to 32Gbps instead of the traditional 6 Gbps of SATA interface
- Transparent to the operating system, no drivers needed

Main features:

- Includes standard and low-profile slot brackets
- Movable M.2 NGFF stand-off and multiple plated-holes supports type 2280, 2260 and 2242 SSD
- Connectors on the SSD side: M.2 NGFF type 2280-D5-M
- Connectors on the motherboard side: PCI-Express x4
- Includes 2 mounting screws
- Compatible with the following OS: 10, Win8.1, Windows Server 2012 R2, Linux, Fedora, SUSE, Ubuntu, Red Hat

## TECHNICAL CHARACTERISTICS

Brand : DEXLAN

Part number : DEX-307625

### Technical specifications :

Slot type : Standard+Low Profile

Bus : PCI Express 4x

External connectors : Aucun

Internal connectors : M.2. NVMe M-KEY

Chipset : NC

Supported RAID modes : N/A

PoS power supply over PIN 1/4/8/9 : No

Operating system required : Compatible with all OSs
