

DESCRIPTION

Connect the ShowMatch Array Pullback Bracket (SMPULL) to the bottom full-range array module to provide third-point suspension to building structure. This allows more extreme downward angle of arrays than possible from 2-point, gravity-hang suspension.

TECHNICAL CHARACTERISTICS

Brand : BOSE
Part number : 770302-0110
Depth : 507 mm
Material : Metal
Product colour : Black
Quantity per pack : 1 pc(s)
Weight : 18.4 kg
Width : 710 mm
