

DESCRIPTION

Standard-Depth 42U Server Cabinet Accommodates 19 in. Rack Equipment

This SmartRack® 42U rack enclosure is designed for server rooms, IT closets, micro data centers, edge computing applications and other environments with essential rack-mount IT equipment. Constructed from heavy-duty steel with a durable black powder-coated finish, the SR42UB has a maximum stationary load capacity of 3000 pounds (1363 kilograms) and a maximum rolling load capacity of 2250 pounds (1022 kilograms).

Keeps Important Equipment Secure

The reversible front and back doors and removable side panels lock securely with the included keys to help prevent damage, tampering or theft. The doors and side panels are designed for quick release, making it simple to access connected equipment and cabling with little effort. Convenient top access ports and an open bottom allow easy cable routing through the cabinet. The vented doors allow generous airflow from front to rear to keep your equipment cool and functioning at its peak.

Easy Enclosure and Equipment Installation

This 42U server rack comes fully assembled for quick and easy deployment with pre-installed (and removable) casters that let you maneuver it over a level surface and through a standard doorway into position, where it can be stabilized by adjusting the levelers (also removable). Front and rear mounting rails accept standard rack equipment up to 37 inches (940 millimeters) deep. Toolless 0U mounting rails allow quick installation of up to four compatible PDUs and vertical cable managers.

Designed for Baying Multiple Enclosures in a Row

Built-in baying brackets allow the combination of two or more rack cabinets in a row. Center-to-center width can be set at 24 inches (600 millimeters) to match standard data center floor tiles.

Meets Payment Card Industry Standards

The SR42UB provides physical equipment and media security required for PCI DSS (Payment Card Industry Data Security Standard) compliance. This is essential for companies that process, store and/or transmit credit card information.

TECHNICAL CHARACTERISTICS

Brand : EATON

Part number : SR42UB

Caractéristiques :

Type : Freestanding rack
Country of origin : China
Depth : 1092.2 mm
Harmonized System (HS) code : 8517.79.0000
Height : 1993.9 mm
Master (outer) case gross weight : 152.4 kg
Master (outer) case height : 2159 mm
Master (outer) case length : 1143 mm
Master (outer) case width : 660.4 mm
Maximum weight capacity : 1361 kg
Package depth : 1143 mm
Package height : 2159 mm
Package weight : 152.4 kg
Package width : 660.4 mm
Product colour : Black
Products per master (outer) case : 1 pc(s)
Rack capacity : 42U
Weight : 129.7 kg
Width : 600.2 mm
