

## DESCRIPTION

The D27-100CG-2 frees up your desk while maintaining an ergonomic working position. It is designed for screens from 13 to 27 inches. Each arm supports a weight of 8 kg. Its fully articulating structure offers maximum flexibility: extend, tilt, and swivel your screen up to 90° left and right for optimal viewing. Its ball joint allows for smooth and effortless rotation and positioning in any direction, reducing glare and finding the ideal viewing angle. You can also adjust the screen vertically to the desired position. A cable tie is also included to organize cables.

Features:

- Screen diagonal: 13 to 27 inches
- VESA: 75 x 75 & 100 x 100
- Maximum weight per screen: 8 kg
- Vertical range: up to 400 mm
- Vertical tilt: +/- 45°
- Horizontal tilt: 180°
- Rotation: 360°
- Cable management
- Dimensions: 550 x 726 x 116 mm
