

DESCRIPTION

The ACTIV PACK case can withstand more than 50 drops from a height of 1.2m and has achieved IK08 standard in terms of shock-resistance. This case includes a shoulder strap, an elastic hand strap and a stylus holder. Perfect for semi-mobile use onsite or even in the office, it will accompany you during each business trip.

This permanent protection and transport solution will allow you to work comfortably thanks to its ergonomic accessories as well as its structure allowing you to keep the protection during the use of your laptop.
