

DESCRIPTION

Workers in and out of the office need a headset that moves with them. Voyager 5200 Office Series headset system sounds professional in any environment with versatile connectivity options.

WORK, WHEREVER

They've got to take the call in the office, around the office, on the way to the office, at home. They need a headset that keeps up and lets them sound their best. Voyager 5200 Office and UC Series headset has a sleek, portable design that makes it ideal for taking calls just about anywhere. And it's easy to keep charged.

NOISE IS LEFT BEHIND

What background noise? Four adaptive microphones and WindSmart technology work together to eliminate it. Workers sound professional wherever they are, in any environment in the office and out. Now they can focus on what they're saying. Not where they're saying it.

CONNECTIONS BY BLUETOOTH

Users comfortable with Bluetooth will be perfectly at ease connecting their PC or Mac, desk phone or mobile phone, to the Voyager 5200 Office or UC Series headset. They can start a call in the office on their desk phone or take that call to go on a mobile phone. Conversations are seamless.

FEELS GOOD ALL DAY

Discreet wearing style easily moves with users throughout the day. Voyager 5200 Office and UC Series headset system feels as good at the end of the day as it did at the start. And the earpiece is ergonomic so they may forget it's even there. Here's a comfortable, powerful tool for all-day productivity.
