

DESCRIPTION

Compact sized wired keyboard, allowing you to work inline anywhere, anytime.

Compact, but fully loaded.

The UltraBoard 950 is a compact keyboard. Take it anywhere and work in a healthier way due to its compact size. The UltraBoard 950 is designed according to the ergonomic requirements for keyboards. This keyboard has a scissor mechanism, a key centre distance of 19mm, and concave keys in white with dark lettering. Those aspects of the keys promise a convenient and precisely way of typing, and minimal typing errors. In addition, it has nice features, like hot-keys, integrated multimedia keys, and status LEDs, which will support you to work more efficiently.

TECHNICAL CHARACTERISTICS
