

DESCRIPTION

Expand securely

Enhance your Poly Rove DECT footprint with the Poly Rove R8 repeater. Built to extend the range of the Poly Rove base station to offer scalability without sacrificing security. Guard your most critical conversations with end-to-end encryption.

TECHNICAL CHARACTERISTICS

Brand : HP
Part number : 84H79AA#ABB
Frequency range (EU) : 1880 - 1900 MHz
Maximum indoor range : 50 m
Operating relative humidity (H-H) : 5 - 95%
Operating temperature (T-T) : -10 - 55 °C
Package depth : 141 mm
Package height : 44 mm
Package type : Box
Package weight : 354 g
Package width : 239 mm
Power supply included : Yes
Product colour : Black
Quick start guide : Yes
Radio Frequency (RF) range : 1880 - 1900 MHz
Storage temperature (T-T) : -40 - 70 °C
Weight : 166 g
