

# HANWHA- Wall speaker SPA-H100W- White

## DESCRIPTION

## TECHNICAL CHARACTERISTICS

|                                              |
|----------------------------------------------|
| Brand : HANWHA                               |
| Part number : SPA-H100W                      |
| Amplifier class : D                          |
| Amplifier output power : 10 W                |
| Built-in amplifier : Y                       |
| Compatible memory cards : SDHC               |
| Depth : 307 mm                               |
| Frequency range : 650 - 5300 Hz              |
| Height : 155 mm                              |
| Hook : Y                                     |
| International Protection (IP) code : IP66    |
| Manual : Y                                   |
| Number of drivers : 1                        |
| Operating relative humidity (H-H) : 10 - 85% |
| Operating temperature (T-T) : -40 - 55 °C    |
| Power over Ethernet (PoE) : Y                |
| Power source type : PoE                      |
| Product colour : White                       |
| Quantity per pack : 1 pc(s)                  |
| Sensitivity : 111 dB                         |
| Speaker placement : Ceiling-mountable        |
| Weight : 3.7 kg                              |
| Width : 241 mm                               |
