

DESCRIPTION

Dacomex W90-800T is a tilting TV mount that can firmly support your large TVs up to 90 inches and 70 kg/154 lbs. The foldable design reduces shipping costs while maximizing storage space. For better security, its anti-theft design provides excellent protection (lock not included). This mount allows easy access to the wall plate for wiring with quick-release cords. Minimalist design, but with solid holding power.

Features:

- VESA: from 200 x 200 to 800 x 400
- Maximum weight of the supported screen: 70 kg
- Tilt: from +3° to -12° (vertical)
- Rotation: no
- Wall / screen profile: 49 mm
- Dimensions (h x w x d): 431 x 890 x 49 mm
- Cable management: no
- Spirit level: yes (included in the packaging)
- Color: black
