

DESCRIPTION

BUILD FOR THE MODERN OFFICE

Designed for the modern office with enhanced density performance, multi-device connectivity and advanced security features. You can deploy this headset across the company so everyone will benefit from increased productivity and wireless freedom.

KEEP CONVERSATIONS PRIVATE

Your conversations are private with DECT Security Step C, FIPS 140-2 military-grade features, and 256-bit AES encryption. You can be sure your conversations are clear thanks to a noise-canceling microphone boom with acoustic fence technology.

WIRELESS FREEDOM

With 2x better density than other DECT headsets, more people in shared spaces benefit from wireless headsets with clear, interference-free audio. And with a roaming range of up to 590 ft/180 m1 everyone can benefit from increased productivity.

INCREASED PRODUCTIVITY

With 3-way connectivity, a universal base, and easy set-up and pairing, the Savi 7400 office series is the perfect solution for the modern office. You can even conference four headsets together with the base for increased productivity.

TECHNICAL CHARACTERISTICS

Brand : HP

Part number : 8L560AA#ABB

Base station colour : Black

Battery capacity : 500 mAh

Battery technology : Lithium-Ion (Li-Ion)

Battery type : Built-in battery

Connectivity technology : Wireless

Control type : Buttons

Ear coupling : Intraaural

Headphone sensitivity : 118 dB

Headset type : Monaural

Microphone type : In-line

Operating keys : Answer/end call, Volume +, Volume -
