

DESCRIPTION

Protects screen and blocks harmful blue light rays

OtterBox Kids Blue Light Guard Glass with Antimicrobial Technology defends your kids display against scratches and scrapes and guards against harmful blue light waves. The ultra-thin tempered glass is engineered to endure with fortified material that withstands drops, impact and daily wear. Not only does OtterBox Kids Blue Light Guard Glass with Antimicrobial Technology keep the display vivid and clear, but the glass is infused with an antimicrobial agent that protects the surface of the screen against unwanted microbes. And, all the tools you need are included for simple installation. With a limited lifetime warranty and hassle-free customer service, OtterBox Kids Blue Light Guard Glass delivers advanced protection for their screen and their vision. Weve developed a 360° design approach just for kids. OtterBox Kids EasyGrabTablet Case, OtterBox Kids Power and Audio Connector Cables and OtterBox Kids Blue Light Guard Glass Screen Protector with Antimicrobial Technology work together seamlessly giving your kids an unprecedented set of tools designed specifically for how they stay connected. Give your kids independence and enhance their tablet experience with OtterBox Kids accessories.
