

DESCRIPTION

Professional equipment for high-end devices

The microSDHC / SDXC cards not only offer maximum performance for smartphones and tablets, but are also particularly suitable for action cameras. As a result, not a moment of an eventful adventure is lost and every exciting detail is captured. Extreme conditions require extreme speeds: thanks to the high-speed standard UHS-I (Ultra High Speed), the memory card enables reading performances of 100 MB/s and writing performances of 45 MB/s. Large storage capacities of up to 128 GB enable uninterrupted recordings and plenty of storage space for photos, videos, music and other memory-intensive files and apps.

TECHNICAL CHARACTERISTICS

Brand : INTENSO
Part number : 3433491
Capacity : 128 GB
Depth : 11 mm
Flash card type : MicroSDXC
Flash memory class : Class 10
Height : 1 mm
Internal memory type : UHS-I
Memory adapter included : SD
Operating temperature (T-T) : -25 - 85 °C
Package type : Blister
Product colour : Black
Protection features : Shock resistant, Temperature proof, Waterproof, X-ray proof
Quantity per pack : 1 pc(s)
Read speed : 100 MB/s
Storage temperature (T-T) : -40 - 85 °C
UHS Speed Class : Class 3 (U3)
Video Speed Class : V30
Weight : 1 g
Width : 15 mm
Write speed : 45 MB/s
