

# BOSCH NDA-U-WMT

## DESCRIPTION

The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

### Pendant wall mount

The pendant wall mount supports multiple installation scenarios including direct installation to a wall, pole or corner through the use of a suitable adapter. The integrated swivel function ensures the installed camera is always level. The mount allows easy cable management or it can be combined with additional surface mount boxes to cater for conduit connections. It provides a safe and robust solution to mount cameras directly to a wall or ceiling in combination with the following accessories:

- NDA-U-PSMB Pendant wall/ceiling mount SMB
- NDA-U-PA0/1/2 Surveillance cabinet
- NDA-U-WMP Wall mount plate
- NDA-U-CMT Corner mount adapter
- NDA-U-PMAL Pole mount adapter large
- NDA-U-PMAs Pole mount adapter small

## TECHNICAL CHARACTERISTICS

Brand : BOSCH

Part number : NDA-U-WMT

Caractéristiques :

Type : Pendant bracket

Diameter : 10.2 cm

Height : 155.7 mm

Housing material : Aluminium

Placement supported : Universal

Product colour : White

Quick installation guide : Y

Weight : 650 g

Width : 227.4 mm
