

## DESCRIPTION

The BWS-1D600-110 standard wax thermal transfer black ink ribbon, 600 metres in length and 110mm in width has been Certified by Brother International Europe.

This extra high capacity standard wax ribbon has been developed to meet your professional label printing needs.

For use in transportation and logistics and manufacturing, you can use these 110mm wide ribbons for barcode printing and a variety of other applications.

Wax thermal transfer ribbons are cost-effective and best suited to standard paper labels. The BWS-1D600-110 wax ribbons are used in conjunction with compatible label rolls in your industrial label printer.

## TECHNICAL CHARACTERISTICS
