

DESCRIPTION

Create Vivid Outdoor Memories

Create cherished memories with family and friends in your favorite outdoor environment. With GS50s portability, splash proof and drop protection, easily create magical cinematic experiences and extraordinary moments surrounded by nature or in your backyard.

Music, Movies, & Nonstop Fun

Make your next camping trip or backyard party an event to remember. GS50 can keep the music playing as a Bluetooth speaker, with deep bass rumbling from its dedicated woofer, then shift modes and deliver all-in-one cinema enjoyment as a portable projector. Rugged design and powerful features leave you worry-free and ready for fun.

Extra Bass for Emotions in Details

Offering an enhanced cinematic immersive experience even when outdoors, the built-in 2.1 channel audio features dual 5W midrange tweeters with a single 10W woofer. You can thus hear the subtle flow of water, falling leaves, as well as the booming explosions. Optimized sound modes for the best audio quality in movies, shows, sports, games, and music.

Optimal Color in Outdoor Environment

True colors impart your deepest feelings and leave a lasting impression. True professionalism and dedication display true colors powered by BenQ CinematicColor. Offering theatrical viewing quality without compromise, GS50 unfurls enchanting outdoor movie experiences.

Picture Modes Convey Realistic Colors

Optimized Picture Modes powered by CinematicColor and 97% Rec.709 wide color gamut for true color.

HDR10/HLG Showcase Brilliant Details

HDR10/HLG delivers high dynamic range effects with higher contrasts of brightness and colors.

1080p & 500 ANSI Lumens Bring Contrast

Let big, clear images performance entertain your family and friends from dawn to night.

Balanced Brightness in Day or Night

GS50 enhances details and contrast in bright scenes and shadowy darkness. The brightness auto-adjust feature maintains theatrical image quality while ensuring the balanced display, keeping your eyes comfortable during extended viewing.

Handy Entertainment Pal

Elevate your entertainment anywhere you are, whether having a movie night under the stars or partying it up in the backyard.

Optimal Viewing Distance and Screen Size

With the placement dexterity while being drop-proof from table height, GS50 lets you achieve the optimal screen size and viewing distance with ease.

Worry-free Durable Design

Engineered for lightweight durability, GS50 is ergonomically designed for rugged active lifestyles.

IPX2 Splash-Proof

GS50s speakers are protected with splash-proof film. Light splashes can be channeled out of the machine.

2.3ft Drop-Proof

GS50 is double-protected by a 1mm-thick waterproof TPU inner layer and a drop-proof outer resin.

Head Out with Android TV

Enjoy wide open viewing opportunities under the sky. The Google-certified Android TV adds endless fun to any adventure. Soak in the vibe whether youre a party lover or a digital nomad.

One Google Account for Seamless Streaming Fun

The Google-certified Android TV keeps your favorite content front and center, and easy to access. Find your next binge or revisit an old favorite with ease and convenience.

5,000+ Google Plays Latest Apps

Enjoy 5,000+ of the latest Android apps, movies, TV shows, live sports, news, games, music, and more. Anytime, anywhere, across your devices, theres something here for everyone to love.

Amazon Prime Video Originals

One-button app access to exclusive Amazon Prime originals and a huge collection of 4K movies and shows.

TECHNICAL CHARACTERISTICS

Brand :	BENQ
Part number :	9H.JPC77.59E
Réseau :	
Smart TV :	N
Vidéo :	
Full HD :	Y
Bluetooth :	Y
AC adapter included :	Y
AC input frequency :	50 - 60 Hz
AC input voltage :	100 - 240 V
Batteries included :	Y
Battery capacity :	6000 mAh
Battery life (max) :	2.5 h
Built-in display :	N
Built-in speaker(s) :	Y
Card reader integrated :	N
Contrast ratio (typical) :	100000:1
Depth :	146 mm
DVI port :	N

Ethernet LAN : N
Focus : Auto
Harmonized System (HS) code : 85286200
HDMI connector type : Full-size
HDMI ports quantity : 1
HDMI version : 2.0b
Height : 154 mm
Interactive : N
Internal memory : 1.02 TB
Internal memory type : DDR3
Internal storage capacity : 8 TB
Keystone correction, horizontal : -40 - 40°
Keystone correction, vertical : -40 - 40°
Light source type : LED
Manual : Y
Market positioning : Portable
Matrix size : 5.84 mm (0.23»)
Matrix type : DMD
Native aspect ratio : 16:9
Noise level : 29 dB
Noise level (economic mode) : 27 dB
Number of built-in speakers : 2
Number of colours : 1.07 billion colours
Number of OSD languages : 14
Offset : 100%
On Screen Display (OSD) : Y
Operating system installed : Android
Operating system version : 9.0
Operating temperature (T-T) : 0 - 40 °C
PC Audio out : Y
Power consumption (economy mode) : 30 W
Power consumption (max) : 65 W
Power consumption (standby) : 0.5 W
Power consumption (typical) : 45 W
Power source : AC/Battery
Product colour : Grey, White
Product type : Short throw projector
Projection technology : DLP
Projector brightness : 500 ANSI lumens
Projector native resolution : 1080p (1920x1080)
Quantity per pack : 1 pc(s)
Remote control included : Y
RMS rated power : 20 W
Screen size compatibility : 762 - 2844.8 mm (30 - 112»)
Service life of light source : 20000 h
Service life of light source (economic mode) : 30000 h
Supported video modes : 1080p
Throw ratio : 1.21
USB 2:0 ports quantity : 1
Weight : 2.3 kg
Width : 186 mm
Wi-Fi : Y
Wi-Fi standards : 802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 5 (802.11ac)

Zoom type : Fixed
