

DESCRIPTION

THE MOST ADVANCED OFFICE PHONE YOUR OFFICE (OR HOME) HAS EVER SEEN

Our most versatile phone to date, the Poly Edge E500 Series offers industry-leading Poly audio and a host of advanced features. Built for hot-desking or home offices, these phones pair our famous noise reduction technology with cutting-edge design that brings style to any desktop.

HD AUDIO AND POLY FAMOUS NOISE-BLOCKING TECHNOLOGY

The Poly Edge E500 Series offers the latest in noise-blocking with Poly NoiseBlockAI and Acoustic Fence technologies. And with crystal-clear HD voice technology it offers the best possible sound from home or office.

WI-FI-READY FOR HASSLE-FREE PERFORMANCE AT HOME OR IN THE OFFICE

Work anywhere with 802.11AC Wi-Fi included with the Poly Edge E550. With simple out-of-the-box Wi-Fi configuration, this phone gives you peak performance anywhere you've got a signal.

HYBRID WORKING AT ITS BEST WITH A HEADSET AND YOUR PAIRED MOBILE PHONE

Integrated Bluetooth® 5.0 on the Edge E550 gives you freedom to move about the office with your Bluetooth headset and answer your mobile phone calls from your desk phone. Fast pairing on selected Poly headsets makes connecting your headset easy.

NEW DESIGN

Beautiful design. Improved, thoughtful user experience. Stay informed with style with the surround light status indicator. Built-in NFC technology for advanced integrations. And your phones stay cleaner for longer with integrated Microban® antimicrobial protection.

TECHNICAL CHARACTERISTICS

Brand : HP

Part number : 82M91AA

Représentation / réalisation :

Type : DECT telephone

Réseau :

Bluetooth : Yes

Answering machine : Yes

Bluetooth version : 5.0

Built-in display : Yes

Call hold : Yes

Call timer : Yes

Call waiting : Yes

Caller ID : Yes

Country of origin : China

Display : LCD

Display diagonal : 12.7 cm (5»)
