

DESCRIPTION

The Brother BDE-1J026051-102 die-cut white labels are suitable for a wide range of labelling applications.

Printing direct thermal labels 51mm x 26mm in size, this supply is perfect for printing admissions card labels, shelf-edge labels, discount labels and expiry or use by date labels.

Cannot be bought individually as it is delivered in packages of 16.

Direct thermal label printing

The BDE-1J026051-102 label roll can support a range of printing applications in healthcare, retail and food traceability without the need for ink or toner.

With 1,900 labels per roll, you can easily print barcode labels with text and logos from your compatible Brother label printer.

By choosing a Certified by Brother International Europe label roll, you'll ensure that your direct thermal label printer continues to work at its best.
