

DACOMEX Fixed wall mount W120-900F for screen 60-120

DESCRIPTION

Designed for large TVs, this TV wall mount ensures the capacity to hold up to 120 kg. The large space in the center allows for installing the power outlet and perfectly hides the messy cables and plugs. The tool-free tilt of +10°~-10° makes it easy to get better viewing angles. A quick-release spring lock allows for quick and easy removal of the TV and takes only seconds to install.

- Features:
- VESA: up to 900 x 600 mm
 - Max. weight supported: 120 kg
 - Wall-to-screen distance: 35 mm

TECHNICAL CHARACTERISTICS
