

DACOMEX Telephone headset with Noise Cancelling - Monaural

DESCRIPTION

Professional telephone headset for daily use (about 4 hours per day).

Equipped with a noise-cancelling microphone that reduces the background noises, the headset has a flexible arm which can rotate at a 330 degree angle, allowing multiple adjustments.

The headset is compliant with the international standard for audio protection, while offering a crystal-clear sound.

The Quick Disconnect function is practical, for device switching (PC, USB, smartphone...)

Product features :

- Single earpiece offering crystal-clear sound (ambidextrous)
- RJ-9 connector
- Quick-Disconnect function (compatible with JABRA headsets)
- Click-stop headband for superior fit and comfort
- Noise cancellation microphone: protects callers from surrounding distraction
- Gooseneck Mic boom offers multiple adjustment and accurate position
- Leatherette ear cushion for all-day comfort
- International standard hearing protection to your ears
- Cable length: 80 cm
- Cable length from QD to headset: 90 cm
