

DESCRIPTION

Maximum security, wireless freedom
Keep sensitive conversations secure

Savi 7300 headsets are ideal for use in financial, medical, government and contact centers where protecting privacy and personal information is critical. Its wireless, and offers twice the density of traditional DECTTM headsets, so you and everyone in your space can communicate with confidence and confidentiality.

Ultra secure
Exceed your security expectations

Savi 7300 headsets don't just meet security expectations, they exceed them with secure pairing, 128-bit authentication and military level features, such as 256-bit AES encryption. Conversation stay private and secure.

More wireless for all
Crystal clear sound

With 2x better density compared to other DECT headsets more people in shared spaces can benefit from a wireless headset and work smoothly with clear interference free audio. IT can deploy more Savi 7300 Office Series compared to other DECT headsets without concern.

Confidential conversations
Keep private conversations private

Make sure no one on the call can overhear nearby conversations. With our noise-canceling microphone enhanced with Poly Acoustic Fence technology, that meets the Microsoft Teams Open Office specification, private conversations stay private.

TECHNICAL CHARACTERISTICS

Brand : HP
Part number : 8Y9B7AA#ABB
Base station colour : Black
Battery capacity : 500 mAh
Battery technology : Lithium Polymer (LiPo)
Connectivity technology : Wired
Ear coupling : Supraaural
Headphone frequency : 20 - 20000 Hz
Headset type : Binaural
Microphone frequency : 100 - 6800 Hz
Microphone type : Boom
Noise canceling : Yes
Product colour : Black
Product type : Headset
Recommended usage : Office/Call center
Standby time : 52 h
Talk time : 13 h
Wearing style : Head-band
Weight : 160 g
