

HONEYWELL Voyager 1202g

DESCRIPTION

TECHNICAL CHARACTERISTICS

Brand : HONEYWELL

Part number : 1202G-2USB-5

Numérisation :

Type : Handheld bar code reader

Base dimensions : 200 x 67 x 97 mm

Base weight : 185 g

Battery capacity : 1800 mAh

Battery life : 12 h

Battery technology : Lithium-Ion (Li-Ion)

Bluetooth version : 2.1+EDR

Charging base : Y

Charging time : 4 h

Connectivity technology : Wireless

Data transfer rate : 3 Mbit/s

Depth : 180 mm

Harmonized System (HS) code : 84716070

Height : 92 mm

Input voltage : 5 V

International Protection (IP) code : IP42

Number of reads per charge : 45000

Operating frequency : 2.4 - 2.5 MHz

Operating relative humidity (H-H) : 0 - 95%

Operating temperature (T-T) : 5 - 40 °C

Pitch reading angle : 60 - 60°

Power source type : Battery

Product colour : Black

Scanner type : 1D

Sensor type : Laser

Standard interfaces : Bluetooth

Storage temperature (T-T) : -5 - 35 °C

Sustainability certificates : RoHS

Weight : 180 g

Width : 66 mm

Wireless range : 10 m
