

# BOSCH TC8235GIT

## DESCRIPTION

## TECHNICAL CHARACTERISTICS

|                         |                 |
|-------------------------|-----------------|
| Brand : BOSCH           |                 |
| Part number : TC8235GIT |                 |
| Bandwidth (min) :       | 10 Hz           |
| Depth :                 | 59.7 mm         |
| Frequency range :       | 10 - 7000000 Hz |
| Height :                | 40.1 mm         |
| Input impedance :       | 75              |
| Product colour :        | Black           |
| Quantity :              | 1               |
| Width :                 | 88.9 mm         |
