

DESCRIPTION

This protective case has been designed by our R&D department to ensure permanent and complete protection for your Surface Go laptop. It has the advantage of a 100% adjustable tilt to adapt to your position depending on your requirements and needs and it gives you the best possible usability. This protective case means you can carry your stylus with ease thanks to its holder and you have full access to all the connections. Also, so that you can use your Surface Go with all Microsoft accessories, this shockproof case is compatible with the Type Cover keyboard and its capacitive stylus. This protective case has a modern appearance and design with a leather finish meaning you can protect your Surface Go laptop in style.

- Dedicated folio protective case
- Tripod function thanks to the flap
- Compatible with Type Cover keyboard and Surface stylus
- Storage for Surface stylus included
- Leather effect
- Access to all ports and functionalities
