

DESCRIPTION

Extra-flat display wall mount for large displays

The PFW 6900 is a robust and elegant wall mount for displays from 80 to 120 inches, weighing up to 160 kg. The wall mount has a depth of only 42 mm. The integrated touch-screen stabiliser ensures that even the largest touch screens can be mounted perfectly vertical and stable on the wall.

Safe solid solution

Looking for a solid, secure way to mount your display flat against a wall? The PFW 6900 fixed wall mount is a reliable and simple solution with guaranteed Vogel's quality. The PFW 6900 is part of the 6000 series. Everything we know about quality and ease of installation has been applied to this product. This includes easy display levelling after installation, self-centering screws and easy access for service and maintenance. As you would expect from Vogel's, the PFW 6900 is TÜV-5 certified.
