

## DESCRIPTION

The Conduit Adapter is designed for suspension of DesignMax pendant loudspeakers from 3/4-inch conduit, down pipe, or downrod ceiling fan hardware. The Conduit Adapter allows the audio cable to be hidden inside the conduit, down pipe, or downrod. This accessory can be used outdoors and ships in pairs.

## TECHNICAL CHARACTERISTICS

Brand : BOSE

Part number : 854381-0010

Compatibility : DesignMax DM3P DesignMax DM5P DesignMax DM6PE DesignMax DM10P-SUB

Depth : 32 mm

Harmonized System (HS) code : 85189000

Placement : Ceiling

Product colour : Grey

Width : 37 mm
