

BOSCH PSU-IIR-100

DESCRIPTION

Constant Voltage 24 VDC power supplies designed for LED lighting applications. Models of 35W, 60W or 100W.

TECHNICAL CHARACTERISTICS

Brand : BOSCH
Part number : PSU-IIR-100
Représentation / réalisation :
Certification : CE
AC input frequency : 50/60 Hz
AC input voltage : 100 - 240 V
Depth : 72 mm
Height : 45 mm
Input current : 4.16 A
LED indicators : Y
Operating temperature (T-T) : -25 - 50 °C
Power Factor Correction (PFC) type : Active
Power protection features : Over current, Overload, Short circuit
Product colour : Black
Sustainability certificates : RoHS
Total power : 100 W
Width : 210 mm
